Young Artist Programme - YAP

For more details visit the [website](#)

Ages 7 - 10
& 11 - 16

From 2nd May -
27th June

In YAP Term 3, children will confront ideas about "Reflection". Through introspection and artistic awareness, they will experiment with various mediums and practice essential artistic skills to produce new artwork every week. Heavily project based, this programme will encourage students to express themselves through art, while reflecting inwardly as well as outwardly about civic and social issues.

04

Saturday
11am - 2pm

Masterclass with Victor Sitali

362.25 AED per person

Ages 16+

This Master class will focus on oil painting. In this class, artist Victor Sitali will introduce you to the medium and how to use it. He will guide you through a series of techniques and styles of working with oil and getting familiar with its particular consistency. The session will then focus on capturing light and creating tones, as well as understanding and isolating values. As you progress, Sitali will guide you to let go and explore your own painting style, while you learn to perfect the details of your composition, portrait or landscape.
